Education

University of Kansas
Bachelors Of Fine Arts In Industrial Design
Minor In Business | GPA: 3.85 | Honor Roll

Design Tools

3D & CAD:
Solidworks
AutoCAD
Revit
Enscape
Keyshot
OrcaSlicer
Design & Visuals:
Adobe Creative Suite
Microsoft Office
Procreate
Figma
Fabrication:
3D Printing
Laser Cutting
CNC Machining
Mold Making
Woodworking
Sculpting

Skills

Sketching
Design Research
Concept Development
Visual Communication
2D / 3D Modeling
Rendering & Visualization
UI/UX Principles
Prototyping
Material & Manufacturing Knowledge
Human Ergonomics Knowledge
Collaboration & Adaptability

Work Experience

Architectural Intern
Clark & Enersen | Summer 2025

- Edited and developed detailed floor plans using Revit and AutoCAD.
- Created renderings and presentations with Enscape and Adobe Creative Suite.
- Conducted site visits and performed 3D scanning for project documentation.
- Collaborated with teams to translate design concepts into client-ready visuals.

Server & Bartender
Dave and Busters | 2024 - Present

- Thrive in a fast-paced, high-pressure environment with strong multitasking.
- Quickly adapt to shifting priorities and solve real-time operational issues.
- Deliver excellent communication and teamwork in a dynamic setting.

Bike Technician
Dicks Sporting Goods | 2020-2025

- Assembled, repaired, and tuned bikes to high safety and performance standards.
- Diagnosed issues and implemented technical solutions efficiently.
- Managed tools, inventory, and workflow in a busy service environment.

Gymnastics Coaching
Eagles Gymnastics | 2018-2020

- Communicated with empathy and adapted to individual and group needs.
- Built strong relationships through active listening and collaboration.
- Strengthened leadership and problem-solving while maintaining a safe, organized workspace.
